

Supervising Adult Form

To be completed by Receptionist	
Name of supervisor:	Registration number:

This page is to be completed by the Supervising Climber

Novice / Junior climbers that are not registered with Leisure World Tiptree must not climb in the centre without direct supervision. They are your guest(s) and by signing this form you are taking full responsibility for their safety while in the centre and for any damage or injury they may cause to other people, regardless of their ability and level of experience.

Competent, adult climbers should complete a registration form and competency test which if passed successfully will allow them to climb without supervision.

Supervision within this context means:

- If you have chosen to supervise during this session and you are the only competent climber within the party that has signed to take responsibility for your guests, then you **cannot climb**. If there is more than one competent climber within your group that is registered at the sports centre and has also signed a form to supervise your guests, then the guests may belay under direct supervision from one of the competent climbers. Asking a climber that has not signed to accept responsibility for your guests to supervise whilst they belay for you is dangerous and not acceptable.
- When you are supervising you must remain in position to assist them as required.
- When they are climbing you must remain with them at all times.
- It is best practice to always back up the brake rope when teaching someone to belay
- If you are supervising a minor you must have the permission of their parents or guardian to supervise them climbing indoors.
- Particular care should be taken at all times when supervising children in the centre.

It is your responsibility to ensure that you use equipment according to the manufactures guidelines and best practice. If you are unfamiliar with your guest's equipment you can hire belay devices and harnesses from reception.

IF YOU DO NOT FEEL ABLE TO PROVIDE SUCH SUPERVISION THEN YOU SHOULD NOT COMPLETE THIS FORM.

I agree to supervise the following climber(s): *(Print names of the climbers to be supervised below)*

- For any novices under the age of 18, I have permission from their parent / guardian to supervise them indoor climbing?
- Will you remain with the novice at all times when they are climbing?
- Will you remain close enough to assist them if needed when they are belaying?
- I confirm that I will not allow a novice climber to belay for me unless supervised by a registered climber that has signed a form to take responsibility for them.
